To Whom It May Concern,

Subject: Letter of Recommendation and Proof of Employment for Ashwini Kumar Tiwari

I am writing this letter to confirm that **Ashwini Kumar Tiwari** has been an integral part of our team at **SANSHU!** since **2021**, when the project first launched. As one of our earliest and most reliable team members, Ashwini has contributed significantly to the creative development and visual identity of our project through his exceptional skills as a **3D Artist**.

Over the course of his tenure with us, Ashwini has been involved in numerous high-impact initiatives, including the early prototyping of our digital mascot characters and in-game assets, as well as helping establish the visual language that continues to define our brand to this day. His ability to transform complex concepts into visually compelling 3D models made him a trusted collaborator for both our design and development teams.

Ashwini consistently demonstrated professionalism, adaptability, and dedication throughout his work. Whether under tight deadlines or during the iterative creative process, his contributions were always thoughtful, technically sound, and aligned with the vision of our studio. His collaborative spirit and eye for detail made him not only an asset but also a pleasure to work with.

This letter serves as both a **recommendation** and a **formal acknowledgment of his employment and contributions** to SANSHU! from **2021 onward**, during which he served as a **remote 3D Artist** based in **India**.

We wholeheartedly recommend Ashwini Kumar Tiwari for any future opportunities and are confident he will continue to exceed expectations in any creative or technical role he pursues.

Should you require any further information, please feel free to reach out to me directly.

Sincerely,

Osawese Omoregie
